The following items of the contract are modified as herein indicated. This addendum has been issued and is posted online. Please refer to the CBJ Engineering Contracts Division webpage at: http://www.juneau.org/engineering_ftp/contracts/Contracts.php

Item No. 1: DEADLINE FOR PROPOSALS. ***Change*** date of Deadline for Proposals ***from*** August 3, 2012 ***to*** August 8, 2012.

Item No. 2: 1.3 Scope of Services. ***Add*** the following paragraph.

"The Consultant's initial work tasks shall also analyze the City's existing handling and disposal/end use practices for biosolids produced at the Juneau Douglas Waste Water Treatment Plant (JDWWTP), Mendenhall Valley Waste Water Treatment Plant (MWWTP) and Auke Bay Waste Water Treatment Plant (AKWWTP). The Consultant shall investigate what has worked in other communities of similar size/climate/biosolid production to Juneau and prepare a biosolids recommendations report which identifies and compares applicable options for improving the City's biosolids processing practices. The comparative analysis shall evaluate cost (capital, operation, long term maintenance, lifecycle), reliability, ease of operation, impacts on plant certification, energy costs, and other pertinent factors and is intended to assist the CBJ in making an informed decision for creating a long term biosolids processing and disposal/end use plan."

Receipt of this addendum must be acknowledged or your proposal may be considered non-responsive. Acknowledge the addendum in the submitted proposal.
