INFORMATION

1. *Question:* Concise definition of the boundaries. Scope of area to be surveyed. Map?
Answer: There is no concise map. We do not fully know the extent of the work. Once we meet with the neighborhood, find out their needs, and review the existing conditions then we'll be able to narrow in the extents.
2. *Question:* Will the proposers need to address underground utilities?
Answer: Yes, underground utilities will need to be addressed.
3. *Question:* Is the trestle at the end of Distin Ave. included in scope of work?
Answer: No
4. *Question:* Is landscape architecture a component of this work?
Answer: Landscape architecture could be included- depending on what the neighborhood wants.
