

ATTENTION VISITORS

Mandatory Visitor and Entry Restrictions in Place

To help protect our patients and caregivers from increased risk of viral spread, we are limiting visitors to the following restrictions:

- Limitation of 1 visitor per patient, per hospital stay.
- No visitors in rooms of patients in isolation, with exception of an approved parent/guardian or a birth partner.
- No visitors under the age of 16.
- All visitors will be screened prior to entry to the hospital for symptoms, travel history, and temperature.
- Entry points to the hospital are limited to Emergency Department (all hours) and main entrance (6AM-8PM).

We appreciate your understanding and cooperation in helping us ensure the health and safety of our patients and staff.
