Governor Michael J. Dunleavy
PO Box 110001
Juneau, Alaska 99811

Dear Governor Dunleavy:

Thank you for your leadership on combating COVID19. We appreciate the Administration's efforts and leadership on fighting the disease.

At the local level, we have tried very hard to follow your Health Mandates and Advisories and the counsel of Dr. Zink. We have worked hard to improve and solve work place congestion to meet the social distancing guidelines and have implemented a variety of tele work procedures.

We urge you to implement additional policies and procedures to minimize the risk of transmission of coronavirus in state facilities and to maximize the number of people working from home.

Thank you for your service to citizens, employees and the State of Alaska.

Sincerely,
