

JUNEAU INTERNATIONAL AIRPORT WELCOMES YOU

FACE COVERINGS ARE REQUIRED INSIDE THE TERMINAL

To keep you and those around you safe, all members of the public are required to wear a mask or facial covering while in the public areas of the airport terminal. Exceptions include when you are eating, drinking or managing personal hygiene with proper distancing.

The following people are not required to wear a face covering:

- Children 12 years old or younger. Children age 2 and under should not wear a face covering due to the risk of suffocation. Children age 3 to 12 are not required, but should be supervised by an adult if they wear a face covering.
- Persons with a medical or mental health condition that prevents wearing a face covering, as advised by a medical professional to not wear a face covering.
- Persons with trouble breathing or otherwise unable to remove a face covering on their own.
- Workers that wearing a face covering creates a safety hazard at work.

Please follow guidance for facial coverings with public or commercial transportation.
