**PROPOSITION NO. 1**

**CHARTER COMMISSION QUESTION  
Explanation**

The City and Borough of Juneau Charter provides that every ten years subsequent to 1970 the clerk shall place on the ballot for the next regular election the question: "Shall there be a Charter Commission to review or amend the Charter?" If a majority of the qualified voters voting on the question vote "no," the question shall not be placed on the ballot until the end of the next ten year period. If a majority of the qualified voters voting on the question vote "yes," nine qualified voters to serve as the Charter Commission shall be chosen at the next regular election or at a special election.

**PROPOSITION NO. 1**

Shall there be a Charter Commission to review or amend the Charter?

- YES, CHARTER COMMISSION
- NO, CHARTER COMMISSION

**PROPOSITION NO. 2**

**GENERAL OBLIGATION BONDS  
Explanation**

The proposition will authorize the issuance of \$15,000,000 in general obligation bond debt for paying the cost of planning, design and construction of municipal infrastructure, facilities and related capital improvements, including school roof replacements, municipal park improvements, street repairs, and energy efficiency building maintenance projects. The total annual debt service costs, assuming an interest rate of 3.5%, will be \$857,000. This example of a property tax levy is provided for illustrative purposes only.
