

Nonprofit Sustainability Grant Program

Juneau nonprofits that have been adversely impacted by the COVID-19 pandemic can now apply for financial assistance through the Juneau Nonprofit Sustainability Grant Program. The Juneau Assembly last month appropriated \$3 million of federal CARES Act funding to assist nonprofits that have lost revenue or have had additional expenses due to the pandemic.

The [Juneau Community Foundation](https://www.juneaucf.org) is administering the program. Applications are available [here](#), or by emailing caresactgrant@juneaucf.org. The deadline to apply is September 15 at 5 p.m.

There are five levels of maximum grant awards based on a nonprofit's annual revenues, ranging from a grant of up to \$5,000 for nonprofits with annual revenue of less than \$25,000, to as much as \$99,000 for nonprofits with annual revenues of more than \$1 million.

Any funding already received by a nonprofit through the CBJ Business Stabilization Grant program would be deducted from the maximum award under the nonprofit grant program. Nonprofits that have received other CARES Act assistance, either through federal or state programs, are still eligible for this program.

For more information, visit the Juneau Community Foundation website [juneaucf.org](https://www.juneaucf.org).
