

## No Rinsing or Flushing Boats in Auke Lake

It may be tempting to dip your boat in the freshwater lake to flush the engine after running in saltwater, but please don't.

Help protect the water quality and wildlife habitat.

Rinsing or flushing your boat in the lake is subject to a fine of \$250.00.

## Protect your resource

With your help we can protect and preserve the qualities that draw us to the lake: clean water, clean air, healthy habitat for wildlife and fish, and opportunities for all kinds of recreation.

# Auke Lake Recreation Area

## Share your lake

Swimmers, jet skiers, paddle boarders, kayakers, water-skiers, anglers and wildlife all use Auke Lake.

The scenic beauty and calm waters of Auke Lake attract recreationists of all types.

Please share your lake and always operate watercraft in a safe and courteous manner.

## Motorized Vessel Boundaries

Regulatory buoys indicate where motor vessels are restricted.
