---

To Whom it May Concern,

My name is Julia Carver and I'm the owner of Pilates Bodies, a small Pilates studio in Juneau. I have been in business for over seven years and hope to remain in business; having said that, my hope is that you'll support the Extreme Hardship Grant that is being proposed. Our industry (gyms and fitness facilities) has been greatly impacted during Covid-19, beginning with the mandated closure in March, and my concern is that that could happen again. Throughout this time I have lost instructors, have had to cut back on scheduled classes by at least 50%, and have lost numerous clientele, all resulting in a large amount of lost income due to this pandemic.

I wholeheartedly support the Extreme Hardship Grant and would appreciate your support for this grant, as well.

Thank you,

Julia Carver
