Vendors must comply with the following rules:

- Face masks are required for vendor booth staff who are not fully vaccinated
- Vendors must provide hand sanitizer for patrons
- Signage promoting masking and social distancing must be visible at vending booth
- Socially distanced spots will be mapped out for patrons waiting in line
- Maintain regular cleaning of vending booth
- Prohibit the consumption of food around the vending booth

Describe what goods you will be selling. Be as specific as possible.

Please describe how you will assure that patrons at your booth will be able maintain at least 6 feet of social distance while waiting in line, ordering and leaving your vending booth.

In addition to social distancing and masking, what protocols do you have in place to protect people who are gathered at your booth?
