Biographical Information *[limited to 150 words or less.]:*

I was born and raised in Anderson, Indiana. I joined the US Navy while in high school and left for bootcamp shortly after graduation. I served first as an enlisted weatherman and then as a naval aviator(pilot). I have been stationed in eight states and have served deployments to the Mediterranean Sea and continental Africa. After 11 years of active duty and nine years as a reservist, I retired in 2018 as a Lieutenant Commander.

My wife, Amanda, and I have been married for almost 24 years. We have five sons, with the oldest two having graduated. My oldest son serves in the US Coast Guard and my recently graduated son is in training to become a diesel mechanic and welder at UAS. We have lived in Juneau since December of 2017.

Position Statement *[limited to 250 words or less.]:*

Parent Empowerment - I believe parents make the best health and education decisions for their student.

Excellence in the Foundations - I believe in the mastery of reading, writing, and arithmetic.

In-person Schooling- I believe in keeping our kids in school.

Your Voice in Education - I will be the voice for the concerned and frustrated parents.

Innovation in Education - I would be a fiscal conservative proponent of differing models and methods of education.

American Values - I am for unity in a racially diverse community.
