

To add another plan to the member's login account, follow the steps below.

1. After login to the Premera member portal, navigate to the Account Settings page.

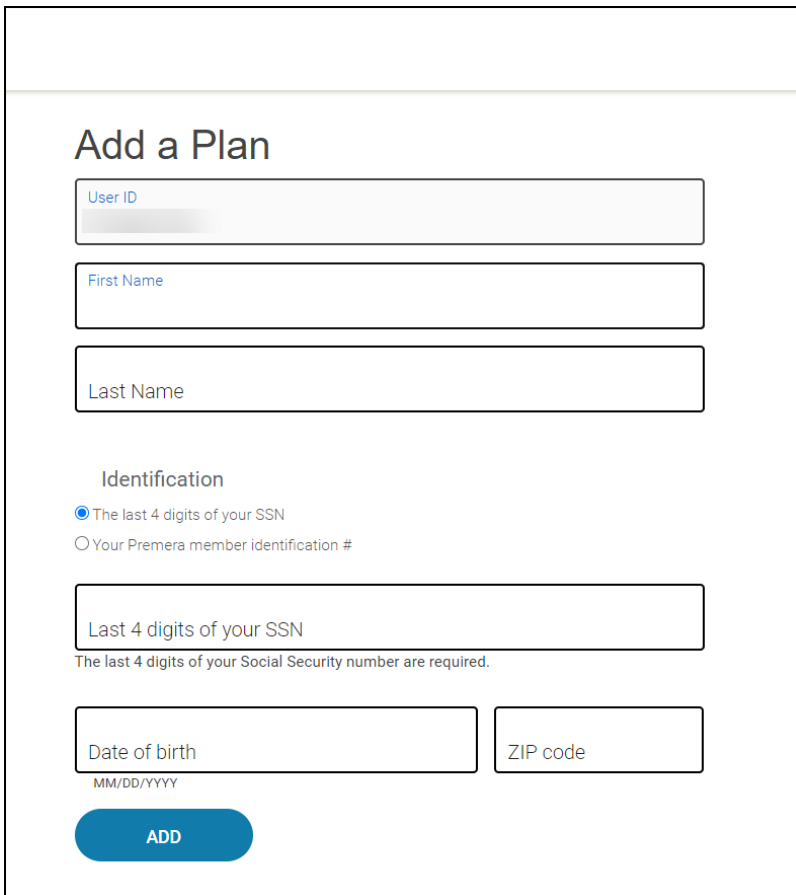

The screenshot shows the top navigation bar of the Premera member portal. The Premera logo is on the left, followed by links for Claims, Prescriptions, Find Care, and Explore Resources. On the right, there is a 'My account' link with a user icon. A dropdown menu is open, showing options: Account Settings, Dashboard, Tax Form 1095, and Sign Out. A red arrow points to the 'Account Settings' option. Below the navigation bar, a greeting 'Good afternoon, [blurred]' is visible.

2. Scroll down to Multiple Premera plans section and click on the Add another Premera plan link. Follow the steps to add another plan.

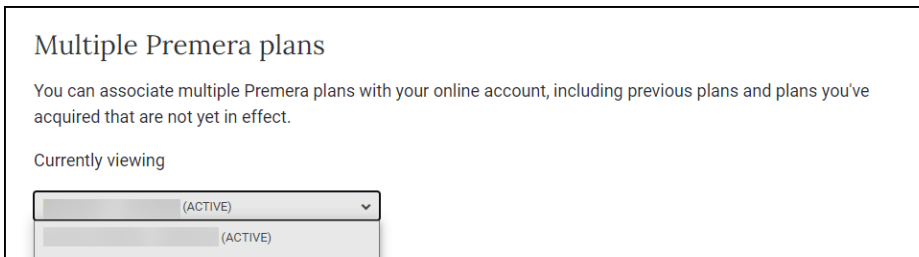

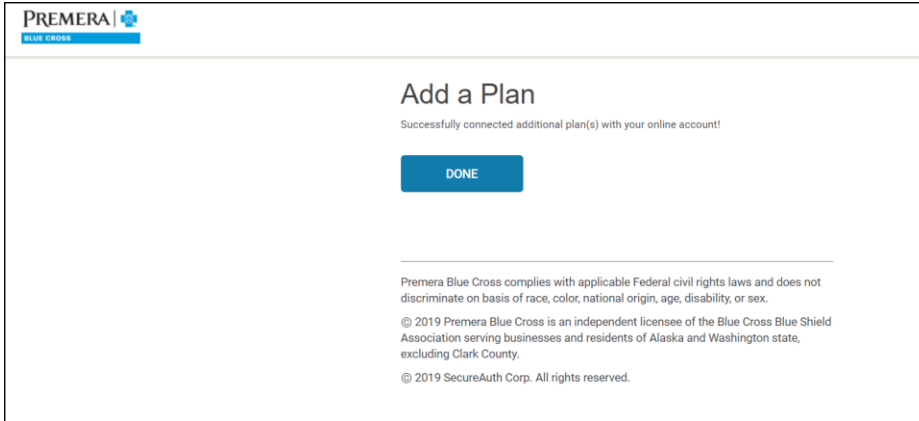

The screenshot shows the 'Multiple Premera plans' section. It includes a heading, a paragraph explaining that multiple plans can be associated with an account, and a section titled 'Currently viewing' which shows a blurred plan name followed by '(active)'. Below this, there is a blue link 'Add another Premera plan >' with a red arrow pointing to it.

3. The Add a Plan page will display. The user ID field will be prefilled with the member's user ID. Fill out the remainder of the required information.

The screenshot shows the 'Add a Plan' form. It has a title 'Add a Plan' and several input fields: 'User ID' (prefilled with a blurred value), 'First Name', and 'Last Name'. Below these is an 'Identification' section with two radio buttons: 'The last 4 digits of your SSN' (selected) and 'Your Premera member identification #'. There is a text input field for 'Last 4 digits of your SSN' with a note below it: 'The last 4 digits of your Social Security number are required.' At the bottom, there are two more input fields: 'Date of birth' (with a format hint 'MM/DD/YYYY') and 'ZIP code'. A blue 'ADD' button is at the bottom left.

4. Add a Plan confirmation page will display. Click on the done button. The Account Settings page will display with the new plan added to the Multiple Premera Plans list.

5. Once the plan is added, members can view information specific to plan by selecting it from the dropdown on the dashboard.
