Questions for discussion during Good Jobs Challenge portion of the meeting:

[1.UA/JEDC](#) is preparing a multisectoral grant with the Eldercare component under the Community Health Sector with JEDC as the backbone organization to fund the Southeast Eldercare Coalition (**that will continue regardless of grant funding?**) and activities such as eldercare job recruitment and eldercare job training activities specific to our SE Region needs using SE training resources and local organizations. **Correct?**

**Do we need to approach providers for letters of support for this proposal or have Charla and Ky done this?**

**Brenda met with Ky & Charla: Do we need to provide language for our sector to UA for the grant?**

**Do we need a budget proposal for Coalition Coordination, recruitment and training activities?**

[2. SC/APAC](#) is preparing a health care specific grant targeting direct service providers through job training programs (**serving the whole state or funding region specific training?**) via pre-apprenticeship and registered apprentice programs. Emily has already contacted BRH, Wildflower Court, SAIL and Central Council for letters of support. **Correct?**

JCOA Board Members: Carol Ende, Jennifer Carson, Janet Beauchamp, Sue Warner, Emily Kane, Linda Kruger, Kathleen Samalon, Ann Stepetin, one open seat. Assembly liaison: Alicia Hughes-Skandijis

Are we supporting the APAC with the idea that we will benefit from people trained through their efforts but there will not be a SE Region specific component?

**OR**

Will we get specific funding for our region? Will the funding for our region fall under the JEDC?

Do we need to provide language for the SE Region Coalition to be funded for planning and implementation purposes?

Do we need to approach other providers for letters of support beyond Emily's efforts?

Again I apologize for not keeping up...
