

CITY AND BOROUGH OF JUNEAU, ALASKA
NOTICE OF PROPOSED CHANGE TO REGULATIONS
Commercial Passenger Vehicle Regulation 20 CBJAC 40

Purpose:

The Commercial Passenger Vehicle (CPV) regulations provide for vehicle inspections and the Class B endorsement. This proposed regulation amends 20 CBJAC 40.430 Vehicle inspections and 20 CBJAC 40.530 Class B endorsement as follows.

Existing Regulation with Proposed Change:

20 CBJAC 40.430 Vehicle inspections.

(a) *Mechanical inspections.* Prior to issuance of a vehicle approval of any commercial passenger vehicle under the provisions of this chapter, the vehicle shall be thoroughly examined, inspected, and approved as safe by a mechanic certified by the National Institute of Automotive Services Excellence or, vehicle manufacturer certification that matches the manufacturer of the vehicle getting inspected. This section (20 CBJAC 40.430) does not apply to a bus subject to and in compliance with commercial motor vehicle statutes and regulations of the State of Alaska.

...

20 CBJAC 40.530 Class B endorsement.

(a) A Class B endorsement shall authorize operation of one or more commercial passenger vehicles subject to the following conditions:

(1) A Class B vehicle may be endorsed as a tour, shuttle, or limousine. This provision does not apply to vehicles owned, operated, or contracted by a cruise line or airline when transporting the cruise line's or airline's own passengers.

...

Summary:

The Commercial Passenger Vehicle (CPV) regulations provide for vehicle inspections. This proposed regulation allows vehicle manufacturer certification that matches the manufacturer of the vehicle inspected. Additionally, the proposed regulation relating to Class B endorsement provides a new exemption of vehicles owned, operated, or contracted by an airline when transporting the airline's own passengers.
