

# JUNEAU VOICES Matching Game

Juneau Voices invites you to visit 11 different spots around downtown, each featuring a sign with an audio installation. Starting March 4, scan the QR code on the signs with your smartphone and you'll hear different stories from community members offering diverse glimpses of life here in Juneau. Can you match each storyteller with the topic of their story?

David Katzeek & Erin Tripp: Welcome **1**

"Butch" Laiti **2**

Nita Coronell **3**
