...

**Summary:**

The Commercial Passenger Vehicle (CPV) regulations provide for Class A endorsement (taxi rates and fees). The proposed regulations provide for an increase in the two discrete rates, the flag drop and the mileage rate. The flag drop rate would increase from \$3.40 to \$4.00 and the mileage rate would increase from \$0.22 per one-tenth mile to \$0.25 per one-twelfth mile. The proposed regulations would also eliminate two discrete additional fees, the \$1.00 Airport to and from fee and \$1.50 Cruise Ship Dock fee. Finally, the proposed regulations would replace the existing language describing the taxi cleaning fee, but would not change this rate.
