

# 2022 Tetra Tech Avalanche Hazard Areas

This map prepared by CBJ CDD shows an overlay of the avalanche hazard areas in GIS shapefile format delivered by Tetra Tech in 2022. The Tetra Tech hazard assessment study occurred from 2020 to 2022. Additional features shown on this map (buildings, streets, etc.) are derived from GIS shapefiles maintained by CBJ CDD. This map is for general reference only. Errors and omissions may exist.

## Avalanche Hazard Area

-  moderate
-  severe
