

Augustus Brown Swimming Pool Progress Update

April - May 2023

Welcome to the April-May edition of our Augustus Brown Swimming Pool Renovation Progress newsletter. We are delighted to share the latest updates on the ongoing construction with you. This newsletter aims to provide you with a brief overview and some pictures of the significant milestones achieved and the progress made thus far. Our dedicated team of engineers and contractors have been working diligently to bring new life to this community pool, and we are excited to share updates with the community as the project progresses.

So, let's dive in and explore some of the latest developments in the renovations of our beloved Augustus Brown Swimming Pool!

Staging for locker room renovations.

Above and Below, beginning abatement work.

Abatement work continues in the locker rooms

Abatement work on the fitness deck.

Demo work on pool deck to prepare for new drainage pipes.

More demo work in the locker room to prepare for new plumbing and showers.

Demo of air handling system.

This concludes the first edition of our August Brown Swimming Pool Renovation Progress newsletter covering the work accomplished in April and May. The work has been progressing steadily, and on schedule thanks to the dedication and expertise of our team of engineers and contractors. Looking ahead, we are excited about the upcoming phases and the revitalization of this community gem. We extend sincere gratitude to all in the community who have supported us throughout this journey. Stay tuned for our next edition to keep you updated on the exciting developments as this project continues.
