

## **Juneau Parks & Recreation Player Code of Conduct**

There is a standard of conduct expected from every person associated with the Juneau Parks and Recreation youth sports program. Game and league rules control participant conduct on the field during league play. Participants must also be responsible for their conduct during practices and when not actively participating in a game. Appropriate conduct also relates to coaches, parents, referees, and Parks and Recreation staff. Inappropriate conduct can be any of the following, but is not limited to: **hitting, pushing, verbal abuse, intimidation, alcohol or drug use prior to, or during games/practices and poor sports conduct, including arousing spectators against a referee, player, team, or Parks and Recreation staff.** The Recreation Staff will deal with persons acting in an inappropriate manner.
