

**City and Borough of Juneau
Delinquent Sales Taxes
As of December 31, 2023**

The businesses reported in this listing are delinquent in filing and/or remitting of sales tax. The sales taxes collected by merchants, in the normal course of business, are required by law to be held in trust for the City and Borough.

Failure to remit the sales tax will result in significant financial penalties and interest being charged. The penalty for failure to file is \$25. The penalty and interest charged for failure to remit sales tax when due is 5% per month, up to a maximum of 25%, plus interest at 14% per annum. The City and Borough is actively pursuing collection of the taxes owed. For flagrant violations, merchants can be and have been charged with Class A misdemeanors. Class A misdemeanors are punishable by up to one year in jail and/or a \$5,000 fine.

The delinquent merchants listed in this report represent a small minority of the merchants conducting business in the borough. The vast majority of merchants comply with the filing and remitting requirements. The amount of delinquent tax shown in this report represents less than 0.6% of the City and Borough's annual sales tax collections.

The Sales Tax Office welcomes any information that will assist in enforcement and compliance. Questions should be addressed to the Sales Tax Office at 586-5215 ext. 4901 or Revenue Collections at 586-5215 ext. 4908.

**Joseph DeLuca
Revenue Officer**

NONFILERS

The City and Borough of Juneau (CBJ) sales tax ordinance 69.05.070(a) states that every person making sales, rentals, or performing services within the city and borough shall complete a return for the required filing period setting forth the total amount of all sales, rentals, and services, regardless of whether such transactions are taxable or nontaxable.

These merchants have failed to respond to requests to file sales tax returns. Under CBJ sales tax ordinance 69.05.100(a) noncompliance with these requests to file may result in the Revenue Officer making an assessment based on an estimate.
