Project Narrative

AMERCO Real Estate Company (AREC) has prepared this CUP (Conditional Use Permit) application package, for the opportunity to receive Juneau City & Borough's participation and counseling regarding the property located at 6525 Glacier Hwy., Juneau, AK 99801. AREC is the wholly owned real estate subsidiary of the U-Haul System.

U-Haul is proposing an adaptive reuse of the existing building by converting it into a U-Haul Moving and Storage Facility. The U-Haul uses consist of self-storage, U-Haul truck and trailer sharing, and related retail sales. The interior of the building will be retrofitted to house self-storage units, that the customers can rent. The building will be used structurally as is except for imaging and signage. The U-Haul trucks and trailers, to be rented by their customers, will be parked clearly in the area labelled "Proposed Equipment Shunting" on the submitted site plan. This development will allow U-Haul to better serve the storage needs of the community and activate a property that is currently underutilized and vacant.

The property is currently zoned GC (General Commercial), and the proposed U-Haul use of self-storage will be permitted use while the use of U-Haul truck and trailer sharing will require a CUP (Conditional Use Permit). U-Haul is applying for this CUP to allow its use.

Custom site design for every U-Haul store assures that the facility complements the community it serves. Adherence to community objectives is key to ensuring that each U-Haul store is both a neighborhood asset and an economic success. U-Haul is more of a commercial type of use that serves residential communities within a 3-5-mile radius. U-Haul feels that this proposed development would be an appropriate use for the property and there are proven benefits for allowing self-storage facilities in communities:

- Self-storage facilities are quiet
- They provide an excellent buffer between zones
- They create very little traffic
- They have little impact on utilities
- They have no impact on schools
- They provide a good tax revenue
- They provide a community service

U-Haul Moving and Storage is a convenience business. U-Haul's philosophy is to place U-Haul stores in high growth residential areas, where they fill a need for U-Haul's products and services. Customers are made aware of the U-Haul store, primarily via drive-by awareness, much like that of a convenience store, restaurant, or hardware store.

The U-Haul Store:

U-Haul stores characteristically serve the do-it-yourself household customer. The U-Haul Store will be staffed with 10-15 employees, both full-time and part-time.

- Families typically use U-Haul Self-Storage rooms to store furniture, household goods, sporting equipment, or holiday decorations. During transition periods between moves, moving to a smaller home, combining households, or clearing away clutter to prepare a home for sale, storage customers will typically rent a room for a period of two months to one year.

- Families generally arrive in their own automobiles, enter the showroom, and may choose from a variety of products and services offered there. Families who need packing supplies in advance of a move or to ship personal packages can choose from a variety of retail sales items, including cartons, tape, and sustainable packing materials. These retail items are available for purchase in the 'Proposed Retail' provided on the 1st floor of the climatized, self-storage building. Please refer to the submitted site plan.
- U-Haul self-storage customers will typically use U-Haul equipment or their personal vehicle to approach the loading area and enter the building through clearly defined customer access. All new U-Haul stores are designed with interior storage room access, giving the customer the added value of increased security, and the community the benefit of a more aesthetically pleasing exterior.
- Provided with the submittal package are the detailed elevation renderings and signage proposal typical to any U-Haul adaptive reuse project. This project's specific renderings are in production and will be ready soon for the staff to review. The building signage clearly calls out for the U-Haul customer, the different functional areas that are accessible to the U-Haul customer. In doing so, the U-Haul customers can easily decide and direct their traffic towards and near the relevant section of the building.
- U-Haul stores also provide truck and trailer sharing for household moving, either in-town or across country. Families who tow U-Haul trailers, boats, or recreational trailers can select, and have installed, the hitch and towing packages that best meet their needs. The U-Haul trucks and trailers, to be rented by the customers, will be parked clearly in the area labelled 'Proposed Equipment Shunting' on the submitted site plan. This area of shunting is only accessible to the U-Haul employee, and they will bring the equipment to the U-Haul customer, who has rented it.
- Please refer to the submitted site plan, and floor plan for detailed square footage of various functional areas. The existing lighting structures in the parking lot area shall remain as is and will be utilized by the U-Haul facility. These have been called out on the submitted site plan.
- The facility will use the existing stormwater and drainage system, as is. This is so, as U-Haul is not causing any land disturbance to the site area, and most of the changes are to the inside of the existing structure.

U-Haul believes that their project complies with the policies of the 2013 Juneau Comprehensive Plan:

- The U-Haul property is within the Commercial land use category, while having compatible land uses surrounding its location. To the east and west of the property are Commercial, and Institutional - Public land uses. To the south is Commercial, and to the north is Medium Density Residential land use. Due to the medium density residential property sizes, they have limited storage spaces and that leads to a need for them to have access to affordable storage areas, such as those provided by U-Haul.
- Through the CUP, the addition of the U-Haul truck & trailer sharing (rentals) use to the land will not materially endanger the public health or safety. The proposed U-Haul use through the CUP provides an essential service to the community or region by allowing truck sharing and thus, reducing carbon footprint of multiple cars on the street and not adding any traffic congestion to the surrounding area.
- The proposed U-Haul uses will not involve uses, activities, processes, materials, equipment and conditions or operations that will be detrimental to any persons, property, or the general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare, or odors.
- The proposed U-Haul uses will not negatively impact the value of the abutting property. The proposed U-Haul uses of the land will be in harmony with the scale, bulk, coverage, density, and character of the area of the neighborhood in which it is located.
- The proposed U-Haul uses of the land are appropriately located with respect to transportation facilities, utilities, fire and police protection, waste disposal, and similar characteristics.
- The proposed U-Haul use will not cause undo traffic congestion or create a traffic hazard. The proposed U-Haul uses will have vehicular approaches to the property that are designed to not interfere with traffic on surrounding public thoroughfares.

Adaptive Reuse & Sustainable Practices:

- It is important to recognize the significant changes that have occurred within the retail landscape over the past several years. A perfect example of this is the outdated "big box" retailer, such as Kmart, who has quickly become obsolete. These retailers are closing at a rapid pace leaving behind large footprints that then remain vacant for years at a time.

- U-Haul has worked closely with cities throughout the country to combat this very problem in a sustainable, efficient, and beneficial way. U-Haul's proposal to convert this building through adaptive reuse is in line with their long history of revitalizing vacant commercial properties. U-Haul has been met with success in turning these properties into productive businesses that both provide jobs and help promote infill development. The adaptive reuse of this property will help enhance and preserve the economic value of the neighborhood by building within the existing fabric of the local community.
- U-Haul prides itself on their award-winning sustainable practices, which they strive to incorporate into all aspects of their business. They embrace their responsibility to act as a good corporate citizen and are continually refining their products, services, and activities to reflect that.

Significant Policies:

- Hours of Operation:

Mon. - Thurs.	7:00 a.m. to 7:00 p.m.
Fri.	7:00 a.m. to 8:00 p.m.
Sat.	7:00 a.m. to 7:00 p.m.
Sun.	9:00 a.m. to 5:00 p.m.
- All U-Haul storage customers are issued a card-swipe style identification card that must be used to gain access to their room. This is but one of many security policies which protect the customer's belongings and decrease the ability of unauthorized access to the facility.
- It is against policy for a business to be operated from a U-Haul storage room.
- Customers and community residents who wish to use the on-site dumpsters for disposing of refuse must gain permission to do so and are assessed an additional fee.
- Items that may not be stored include: chemicals, flammables, and paints.
- U-Haul stores are protected by video surveillance.
- U-Haul stores are non-smoking facilities.
- U-Haul will provide added services and assistance to its customers with disabilities.

Security Features:

- "State-of-the-Art" Burglar/Max Alarm System, includes 24 Hour monitoring and interior motion detectors on all storage floors, stairwells, and main showroom.
- Hands Free Intercom System, able to communicate to all Max Stations throughout all floors of storage, specifically designed for customer use.
- 24 Hour Digital, HD Video Surveillance, with remote & web base viewing
- Individually Alarmed Rooms, armed & disarmed by a Keypad/Card swipe.
- 16+ Color/ HD, Day, and Night Cameras, will display facilities interior, exterior and elevator.
- Multiple, Audible Sirens for Storage and Burglar Alarms
- The Exclusive U-Haul patented latch contact is used in all storage units.

Traffic Study:

- U-Haul stores generate less vehicular traffic volume while still embodying an active-use site. Truck and trailer sharing, and self-storage all represent dynamic transitions from one customer to another. DIY moving customers are presented with opportunities to utilize equipment and storage on a temporary basis, supporting a shared-economy, an effective economic model, and an environmentally-sound way to conduct business.

U-Haul looks forward to working with City & Borough of Juneau, Alaska as you consider this submitted CUP application package.

Conference Summary

Questions/issues/agreements identified at the conference that weren't identified in the attached reports.

The following is a list of issues, comments and proposed actions, and requested technical submittal items that were discussed at the pre-application conference.

Project Overview

The applicant proposes to convert the existing 122,278 square foot former Wal-Mart building into a U-Haul Moving and Storage Store consisting of self-storage, U-Haul truck and trailer sharing, and related retail sales. The development will be staffed with 10-15 employees and will operate 7 days a week. At the meeting, the applicant provided additional details regarding the square footage of uses and questioned whether a Conditional Use Permit would still be required. Staff requested that the applicant send an email with those details, for further consideration by the department. At this writing staff have not received that email.

Based on the information available at this time, a Conditional Use Permit is required. Application materials should include the following (copied from the application form):

to be complete	ALL REQUIRED DOCUMENTS ATTACHED	<i>If this is a modification or extension include:</i>
	<input type="checkbox"/> Narrative including: <input type="checkbox"/> Current use of land or building(s) <input type="checkbox"/> Description of project, project site, circulation, traffic etc. <input type="checkbox"/> Proposed use of land or building(s) <input type="checkbox"/> How the proposed use complies with the Comprehensive Plan <input type="checkbox"/> Plans including: <input type="checkbox"/> Site plan <input type="checkbox"/> Floor plan(s) <input type="checkbox"/> Elevation view of existing and proposed buildings <input type="checkbox"/> Proposed vegetative cover <input type="checkbox"/> Existing and proposed parking areas and proposed traffic circulation <input type="checkbox"/> Existing physical features of the site (e.g.: drainage, habitat, and hazard areas)	<input type="checkbox"/> Notice of Decision and case number <input type="checkbox"/> Justification for the modification or extension <input type="checkbox"/> Application submitted at least 30 days before expiration date

Expanding on the requirements above, the project narrative should provide:

- A detailed explanation on the various uses in the building and on the lot
- Hours/days/seasons of operation;
- Number of employees;
- A description of lighting;
- A description of drainage and stormwater management;
- A description of vegetative cover;
- A description of the number of parking spaces;
- Compatibility with the surrounding neighborhood; and
- How the project complies with the policies of the 2013 Juneau Comprehensive Plan.

Expanding on the requirements above, the site plan should provide:

- A detailed breakdown of uses in the building and on the lot, with the square footage of each use
- A parking plan that demonstrates the number of spaces and verifies the required dimensions and aisle widths per the parking code, attached;
- A lighting plan, unless such plan is adequately covered in the project narrative; and

- Vegetative cover in accordance with the 10 percent minimum requirement.

Planning Division

1. **Zoning** – General Commercial
2. **Setbacks** – 10' front, 10' rear, 10' sides
3. **Height** – 55' permissible uses; 45' accessory uses
4. **Access** – Glacier Highway
5. **Parking & Circulation**– Parking requirements will be determined based on the final site plan and breakdown of uses. Parking requirements are provided in CBJ 49.40, attached. The parking and site plan should provide clear detail on ingress and egress points; parking space dimensions; accessible spaces; aisle widths; and circulation plans.
6. **Lot Coverage** – No maximum lot coverage
7. **Vegetative Coverage** – 10 percent. Vegetative cover must be demonstrated in the site plan.
8. **Lighting** – A lighting plan is required with the application. All exterior lighting fixtures shall be a “full cutoff” design.
9. **Noise** – Operation and construction must comply with the CBJ Noise standard, per attachment.
10. **Flood** – The parcel is adjacent to, but not within, an AE Special Flood Hazard Area.
11. **Hazard/Mass Wasting/Avalanche/Hillside Endorsement** – N/A
12. **Wetlands** – N/A
13. **Habitat** – Check with the U.S. Fish and Wildlife on the presence of eagle nests in the area. The presence of eagle nests may impact construction scheduling. No anadromous waterbodies are on the subject parcel, or within 50 feet.
14. **Plat or Covenant Restrictions** – N/A
15. **Traffic** – Per CBJ 49.400.300(a)(1), a development projected to generate 500 or more average daily trips shall be required to have a traffic impact analysis. The applicant’s use comparison chart indicates up to 53 trips per day for an 80,000 square foot U-Haul Center. The proposed center is 122,278 square feet, a 50 percent increase from the chart, which would indicate approximately 77 trips per day. Based on this information, a traffic impact analysis will not be required.
16. **Nonconforming situations** – There are no known nonconforming situations on the property.

Building Division

17. **Building** – Proposed plans will be reviewed during the permitting process. No comments at this time.

DECLARATION OF EASEMENTS

This Declaration made as of this 17 day of May, 1995 by KMART CORPORATION, a Michigan corporation, whose address is 3100 West Big Beaver Road, Troy, Michigan 48084 (hereinafter referred to as "Kmart").

RECITALS:

A. Kmart is the owner in fee of two (2) parcels of land comprising approximately 14.73 acres located within the Juneau Recording District, First Judicial District, State of Alaska, more fully described on Exhibit A attached hereto and depicted as Lot 2A and Lot 2B on Exhibit B attached hereto (individually herein called "Lot 2A" or "Lot 2B" or "Parcel" and together herein called the "Shopping Center").

B. Kmart by this Declaration intends (i) to impose and establish easements for parking, ingress and egress and utilities upon and over the Common Areas (as hereinafter defined) of the Shopping Center and (ii) to provide for payment of taxes and the cost of maintaining, repairing and insuring the Shopping Center.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by each party hereto, the parties agree as follows:

ARTICLE I

EASEMENTS

1.1 Grant and Declaration of Reciprocal Easements. There is hereby granted, declared and reserved for the mutual and reciprocal benefit of each of Lot 2A and Lot 2B and any and all parts thereof and for the mutual and reciprocal benefit of the present and future owners of such Parcels, their respective successors, assigns, mortgagees, lessees, sublessees, employees, agents, customers, licensees and invitees, a permanent, mutual, reciprocal non-exclusive easement and right to use and enjoy all entrances, exits, driveways, parking areas, walks, service drives, directional signs and lighting facilities at any time located within the Shopping Center and such additional parking and common facilities as may now or hereafter be established and constructed upon any portion of the Shopping Center (herein called the "Common Areas"), for the purposes for which they are provided and intended, including, but not limited to, ingress, egress, access, and parking for vehicular or pedestrian traffic. Anything in this Agreement to the contrary notwithstanding, the Owner of Lot 2A may make alterations to or construct additions or expansions to the building constructed on Lot 2A and reconfigure the Common Areas on Lot 2A so long as such addition or expansion of such building does not violate Section 1.2 hereof.

Juneau, AK #3584
03/23/95

There is hereby granted, declared and reserved for the mutual and reciprocal benefit of each of Lot 2A and Lot 2B and any and all parts thereof and for the mutual and reciprocal benefit of the present and future owners of such Parcels, their respective successors, assigns, mortgagees, lessees, employees, agents, customers, licensees and invitees, a permanent mutual, reciprocal non-exclusive easement and right to tie into (and maintain and repair such tie in) and use the sanitary and storm sewers, water lines and other utilities as may be constructed on the Common Areas of the Shopping Center, provided such use shall not overburden such utilities or interfere with the use thereof by the owners, lessees or sublessees of such Parcels.

1.2 Parking Areas; Main Driveway Location. There shall at all times be provided and maintained in the Shopping Center at least the minimum number of automobile parking spaces required under the applicable local ordinance relating to parking requirements, or any variance obtained by any Owner or occupant. The location of the curb cut to Glacier Highway located on Lot 2B and the main north-south drive aisle located on Lot 2B, each as depicted on Exhibit B, shall not be changed without the consent of the Owners of each of Lot 2A and Lot 2B. Other than the curb cut to Glacier Highway on Lot 2B and the main north-south drive aisle on Lot 2B, the Owner of each of Lot 2A and Lot 2B may change the interior configuration of parking areas and circulation within their respective Parcels without the consent of the Owner of the other Parcel.

1.3 Barriers and Traffic Control. No walls, fences, or barriers of any sort or kind shall be constructed or maintained in the Common Areas of the Shopping Center, or any portion thereof, which shall prevent or impair the use or exercise of any of the easements granted herein, or the free access and movement, including without limitation, pedestrian and vehicular traffic, between the Parcels; provided, however, reasonable traffic controls as may be necessary to guide and control the orderly flow of traffic may be installed so long as access driveways to the parking areas in the Shopping Center are not closed or blocked and the traffic circulation pattern of the Common Areas is not changed or affected in any way.

1.4 Definition of Owner. For the purposes of this Agreement "Owner" shall mean any person who or which is the record owner of fee simple title to a Parcel or any portion thereof which is part of the Shopping Center; provided, however, in the event of the sale by an Owner of all or a portion of a Parcel and a simultaneous leaseback of the Parcel or portions thereof (a "sale/leaseback"), the seller/lessee under such sale/leaseback shall be deemed to be the "Owner" of such Parcel or portion thereof for the purposes of this Agreement so long as it is designated in the lease as the "Owner" for the purposes of this Agreement, and provided further, the lessee of a Parcel or a portion of a Parcel under a ground lease or other lease having an initial term of twenty-five (25) years or longer shall be deemed to be an "Owner" of such Parcel or a portion thereof for the purposes of this Agreement so long as it is designated in the ground lease or other lease as the "Owner" for the purposes of this Agreement.

1.5 Repair and Maintenance; Payment of Taxes and Insurance. The Owner of each Parcel shall at all times cause (a) the Common Areas on its Parcel to be continually repaired and maintained in a safe, sightly and serviceable condition, which repair and maintenance shall include cleaning, lighting, painting, striping, landscaping, removing garbage and trash, removing obstructions, snow, water and ice, repairing and servicing the parking areas, curbs, walks, driveways, utilities and drainage facilities, and directional signs and lighting facilities as necessary from time to time, (b) the real estate taxes and assessments assessed against the Common Areas on its Parcel to be paid before any penalty or late charge is payable with respect thereto and (c) comprehensive liability insurance on the Common Areas on its Parcel to be maintained in the amount of (i) at least \$2,000,000 with respect to bodily injury or death to any one person, (ii) at least \$5,000,000 with respect to bodily injury or death arising out of any one accident and (iii) at least \$2,000,000 with respect to property damage arising out of any one occurrence, provided however, so long as any Owner's net worth is in excess of \$50,000,000, such Owner may self-insure against the risks which would otherwise be covered by the insurance required under this Section 1.5.

1.6 Failure to Perform. In the event an Owner shall fail to perform its obligations under Section 1.5, the Owner of the other Parcel may send notice to the Owner who failed to perform setting forth the obligation which the Owner has failed to perform. In the event such obligation is not performed within thirty (30) days after receipt of such notice (unless the Owner shall have commenced to perform the same within such period and shall be diligently proceeding to perform the same), then the other Owner upon ten (10) days prior written notice to the Owner who failed to perform, shall have the right to perform the same. An Owner shall not be deemed to have failed to perform its obligations hereunder for so long as such delay is prevented due to strikes, lockouts, inability to procure materials, power failure, acts of God, governmental restrictions, enemy action, civil commotion, fire, unavoidable casualty or other causes beyond the control of the Owner provided that lack of funds shall not be deemed a cause beyond the control of the Owner.

In the event failure to perform any repair or maintenance causes an emergency, or performance of such repair or maintenance is necessary to prevent or relieve an emergency, then the notice required to be given hereunder need only be such reasonable notice, if any, as is warranted by the nature of the specific condition involved. If appropriate action is not timely taken by the Owner failing to perform, the other Owner shall be entitled immediately to perform such repair or maintenance.

In the event an Owner performs any of the obligations of an Owner who fails to perform as aforesaid, the Owner so performing, in addition to any other remedies it may have, shall be reimbursed by the defaulting Owner within thirty (30) days of presentation of the appropriate statement therefore, failing which, in addition to any other remedies it may have, the Owner so performing shall have a lien against real property and improvements of the

defaulting Owner for the unpaid amount together with interest thereon from the date said reimbursement was due at the rate of 15% per annum or the highest rate permitted by law, whichever is lower. Such lien shall be subordinate to the interest of any mortgagee, lessee or sublessee of the affected property, irrespective of when their interest attached, and may be enforced and foreclosed in a suit or action brought in any court of competent jurisdiction.

ARTICLE II

NATURE OF AGREEMENT

2.1 Easements Run With Land. All easements and covenants contained in this Agreement shall run with and against the land so described and shall, except to the extent otherwise specifically provided in this Agreement, be a benefit thereto and a burden thereon. It is understood that any one or more of the Parcels may hereafter be subdivided into one or more separate parcels. In such event and except as otherwise herein expressly provided, the terms of this Agreement shall be deemed to continue to apply to and benefit and burden the subparcels of Lot 2A and Lot 2B, or any one or more of them, and to create the same rights, easements and obligations as between and among such subparcels as are herein created with respect to Lot 2A and Lot 2B.

2.2 No Dedication to Public. Nothing contained in this Agreement shall be deemed to be a gift or dedication of any portion of the Shopping Center to the general public or for any public use or purpose whatsoever, it being the intention of the parties hereto that this Agreement is for the exclusive benefit of all Owners of any portion of the Shopping Center and their successors, assigns, mortgagees, tenants, customers and invitees, and that nothing in this Agreement, express or implied, shall confer upon any person, other than such Owners, and their successors, assigns, mortgagees, tenants, customers and invitees any rights or remedies under or by reason of this Agreement. The Owners of all Parcels comprising the Shopping Center shall have the right from time to time to close all or any portion of the Shopping Center to such extent as may be necessary to prevent a dedication thereof to the public or the accrual of any rights in any person, not expressly granted rights hereunder.

2.3 Amendment, Modification or Termination. This Agreement may be amended or modified at any time by a declaration in writing mutually agreed to, executed and acknowledged by the fee owners and the Owners of Lot 2A and Lot 2B and thereafter duly recorded in the Juneau Recording District, First Judicial District, State of Alaska.

ARTICLE III

MISCELLANEOUS

3.1 Successors. This Agreement shall be binding upon and inure to the benefit of the parties designated herein, their heirs, executors, administrators, beneficiaries, successors and assigns; provided that the respective Owners from time to time of the Parcels forming the Shopping Center shall be liable in money damages and subject to the action for specific performance only for breaches of the undertakings contained in this Agreement occurring during their respective periods of ownership of each Parcel; provided further, however, that such successor-in-title to any of the Parcels shall be subject only to an action for specific performance with respect to breaches of undertakings hereunder which occurred during the ownership of any predecessor-in-title.

3.2 Governing Law. This Agreement shall be construed in accordance with the laws of the State of Alaska.

3.3 Headings. The section headings in this Agreement are for convenience only, shall in no way define or limit the scope or content of this Agreement and shall not be considered in any construction or interpretation of this Agreement or any part thereof.

3.4 No Partnership. Nothing in this Agreement shall be construed to make the parties hereto partners or joint venturers or render either of the parties liable for the debts or obligations of the other.

3.5 Notices. Any notice, demand, request, consent, approval, designation, or other communication made pursuant to this Agreement by one Owner to any other Owner shall be in writing and shall be given or made or communicated by personal delivery, by United States registered or certified mail, return receipt requested, or by prepaid Federal Express or other recognized overnight delivery service addressed, in the case of Kmart to:

Kmart Corporation
3100 W. Big Beaver Road
Troy, Michigan 48064
