It was suggested that the DAB chair and vice-chair address the Assembly Committee of the Whole to introduce DAB and its current issues, and that DAB members create a schedule for members to attend regular Assembly meetings to speak under Public Participation urging the Assembly to respond to DAB's request related to the cemeteries.
- **“Welcome to Douglas Island” Sign at the Roundabout.** Joyce reported that the Douglas Steering Committee of the CBJ Planning Department is also discussing a sign at the round-about in their planning efforts, so DAB should keep their efforts on our radar.
