

# **CURRENTLY DELAYED UNTIL 10/16/24**

September 19, 2024

Juneau International Airport parking lot improvements are complete and new ticket dispensers and automated payment stations at the exits and one inside the terminal have been installed. This will be **operational early next week (week of September 23, 2024)**. When a vehicle is entering the lot and is over the loop, depress the ticket button and a printed ticket will be issued. This ticket is necessary for exiting the parking lots. When the gates are down and operational, it will no longer be necessary to record your license plate or use a kiosk at the entrance of the terminal.

## **Parking Payment System**

Payment is now made as you exit using one of the payment stations found in each exit lane. Scan the QR code on your ticket and the screen will show the amount due. The payment stations accept credit cards with contactless Tap, Applepay or Googlepay.

### Cash Payments

Cash payments are only accepted in the terminal (not at the exit lanes). To pay with cash, take your ticket with you to the terminal before exiting the lot. Cash payments can be made at the parking kiosk in the terminal near the Alaska Airlines Ticketing on the first floor or at the Republic Parking System Office adjacent to Baggage Claim. You will have 15 minutes from time of payment to exit the parking lot without incurring additional charges.

*Tip:* It is possible to use a credit card at the in terminal kiosk for an even quicker exit when leaving the lot.

## **Short-Term Parking Lot**

The daily short-term parking cost is \$49 per day; therefore, please use Long-Term Parking for anything more than a few hours.

### Short-Term Parking Rates

0-15 Minutes Free  
16-60 Minutes \$3.00  
Each Additional Hour \$2.00  
\$49 per Day

## **Long-Term Parking Lot**

### Long-Term Parking Rates

0-120 Minutes \$5.00  
Each Additional Hour \$1.00  
Daily Maximum \$16.00

Maximum stay is 30 days. Vehicles are subject to tow at owner's expense for non-payment, overstay, or improper parking.

If there is a problem entering or exiting the lot, there is a call button on all gates to speak to a person about the issue.

Contact Republic Parking System at 907-789-2343 with any questions.
