## HARBOR RULES & GENERAL INFORMATION

- Vessels may not exceed a speed of 5 nautical miles per hour within the inner harbors.
- Transient vessels must register with the Harbormaster office within 8 hours of entering the harbor.
- To the extent allowed by safety considerations, harbor lights, vessel deck lights and all bright lights shall be directed away from the shoreline.
- The use of sodium, crab, flood, and other associated high output lighting is prohibited within the harbors except during daylight hours.
- Loud noise of any type will be limited to the hours of 7am-10pm.
- Pets shall be on a leash and under control of the owner at all times.
- Pet owners **MUST** clean up any and all waste produced while at the Docks and Harbors facilities.
- No riding of bicycles, motorized vehicles, skateboards or similar devices are allowed on any municipal float.
