Authority. This Permit is entered into pursuant to the authority of the City and Borough of Juneau Tree Policy, **Administrative Policy No. 14-03R - 2023**.

Term. This Permit is effective upon signature by the Lands Manager and will remain in effect for one-week. Permit will expire at 11:59 PM on the 7th calendar day following the Land Manager’s signature. Harvest under this permit may only occur during daylight hours.

Fee. The permittee will pay a \$100.00 refundable deposit (check or cash). CBJ reserves the right to charge a fee for firewood at the discretion of the Lands Manager.

Permit Terms and Conditions:

4. Permittee will clear site after harvest and may not leave any debris associated with the harvesting on the property or roadways or in any drainage area, waterway, or ditch.
5. Permittee acknowledges and understands that Pioneer Road is closed to unauthorized vehicles. The Permittee must close and lock all gates at all times when not actively passing through the gates. Failure to secure the gate may result in Permittee losing harvesting privileges and may result in Permittee being liable for associated damages that results to the property from unauthorized access. To use the gate with two or more locks, daisy chain the locks in line with each other so that opening any one lock will still allow access. A key to Pioneer Road will be checked out to Permittee with this signed agreement.

The obligations of Permittee arise immediately upon actual or constructive notice of any action, claim, or lawsuit. The CBJ shall notify Permittee in a timely manner of the need for indemnification, but such notice is not a condition precedent to Permittee's obligations and may be waived where Permittee has actual notice.
10. **Acknowledgement of Rules and Liability Waiver.** Permittee and any other member of the public performing work under this permit on CBJ land acknowledges the rules for this permit and agrees to sign this liability waiver for such work.
11. **Modifications.** No changes to the trees and/or areas for harvest of trees will be made unless first approved by the Lands Manager.
