****NOTICE OF SALES TAX CODE CHANGES****
MARKETPLACE FACILITATORS DELEGATED TO ARSSTC
Effective October 1, 2026

The City and Borough of Juneau Sales Tax Office is implementing changes to the Sales Tax Code as it relates to how marketplace facilitators are regulated, as passed by the Assembly on June 8, 2026. This measure takes effect on **October 1, 2026**.

In 2025, the Assembly required all marketplace facilitators to collect and remit sales taxes on behalf of their sellers making sales or rentals within Juneau. [Ordinance 2026-22](#) transfers the registration, reporting, and administration of marketplace facilitator sales taxes from CBJ to the Alaska Remote Seller Sales Tax Commission (ARSSTC).

Effective October 1, 2026, marketplace facilitators with sellers making sales or rentals within Juneau that meet the economic nexus threshold established under the ARSSTC Uniform Code must register, collect, report, and remit sales taxes through ARSSTC rather than directly with the CBJ Sales Tax Office. Marketplace facilitators currently registered with CBJ will need to close their local sales tax account and register with ARSSTC.

This change applies only to marketplace facilitators and does not change filing requirements for other merchants.

It will apply to **sales made on or after October 1, 2026**, and should be reflected in merchant reporting beginning in the 4th Quarter 2026.
