Find out who the suspect is, what weapon was used, and the location of the crime in Juneau Parks & Recreation's edition of the classic board game--Clue.

HOW TO PLAY:

Use this Clue Card (or download a device-friendly one from the website) and hit the trail to track down the clues. When you've found them all, your Clue Card will reveal the suspect, weapon, and location of the crime. Once you have an answer, go to bit.ly/juneauclue to submit your accusation.

3-GAME SERIES

Clue will take place over three separate weekends, each one on a different trail. The outcome of each game is different, so you can play them all! The more you play, the more chances you have to win. See the website for all the details.
