GENERAL INFORMATION

Team Classification: There will most likely be four divisions for league play, Division I being the highest caliber of play and Division 4 being more recreational. There must be a minimum of four teams to form a division.

Classification Procedure: The Parks and Recreation Program Supervisor, Recreation Coordinator and the Player Advisory Board will review classification sheets to determine which division each team will be placed in. Teams will be placed according to preference as indicated on the classification sheet whenever possible. Within 24 hours after teams have been assigned to divisions, Juneau Parks and Recreation staff will contact each team manager and inform them of their respective placement and night of play.

Appeal Procedure: There will be a period of two business days (after notification) in which managers may appeal to the Program Manager for a change of divisions. The appeal must be made by the team manager. It must be in written form and must list the reasons why the placement of your team is not appropriate. Please note that the night that each division is assigned to play on will not be changed unless it creates a conflict for three or more players on a majority of the teams in any division. Appeals will be reviewed by the Program Supervisor, Recreation Coordinator and the Player Advisory Board. Appeals will be answered in writing within two business days of being received.

Second Appeal Procedure: If a second appeal is made, it must be submitted to the Recreation Manager in writing, with a copy of the written denial of the first appeal attached. A second appeal will be answered in writing within two business days of being received. This decision will be considered final and further appeals will not be considered. Every effort will be made to accommodate the wishes of team managers with respect to divisional placement. After the appeal period has elapsed, the schedule will be produced.

Multiple Team Sign-Up: Players may not register on more than one Parks and Recreation volleyball roster.

Location and Match Times: Matches will be played at the Dzantik'i Heeni gym and Floyd Dryden gym. Weekday match times vary between 6:30 p.m. and 10:30 p.m., and matches are 55 minutes in length. Matches will be played Tuesday - Friday and Sunday afternoons.

Each team will play 18 league matches in nine weeks, plus a post-season double elimination tournament after completion of league play. Matches will be held one day per week for each division. Each team will play two matches per day.

Reschedules may occur during the season due to activities at the schools. Parks and Recreation will inform managers of any "bumps" as soon as possible.
